Midterm Proposal

My Portfolio

For the Intro to Web Development DM-UY 2193 class I will be making my portfolio for the midterm.

A little about me
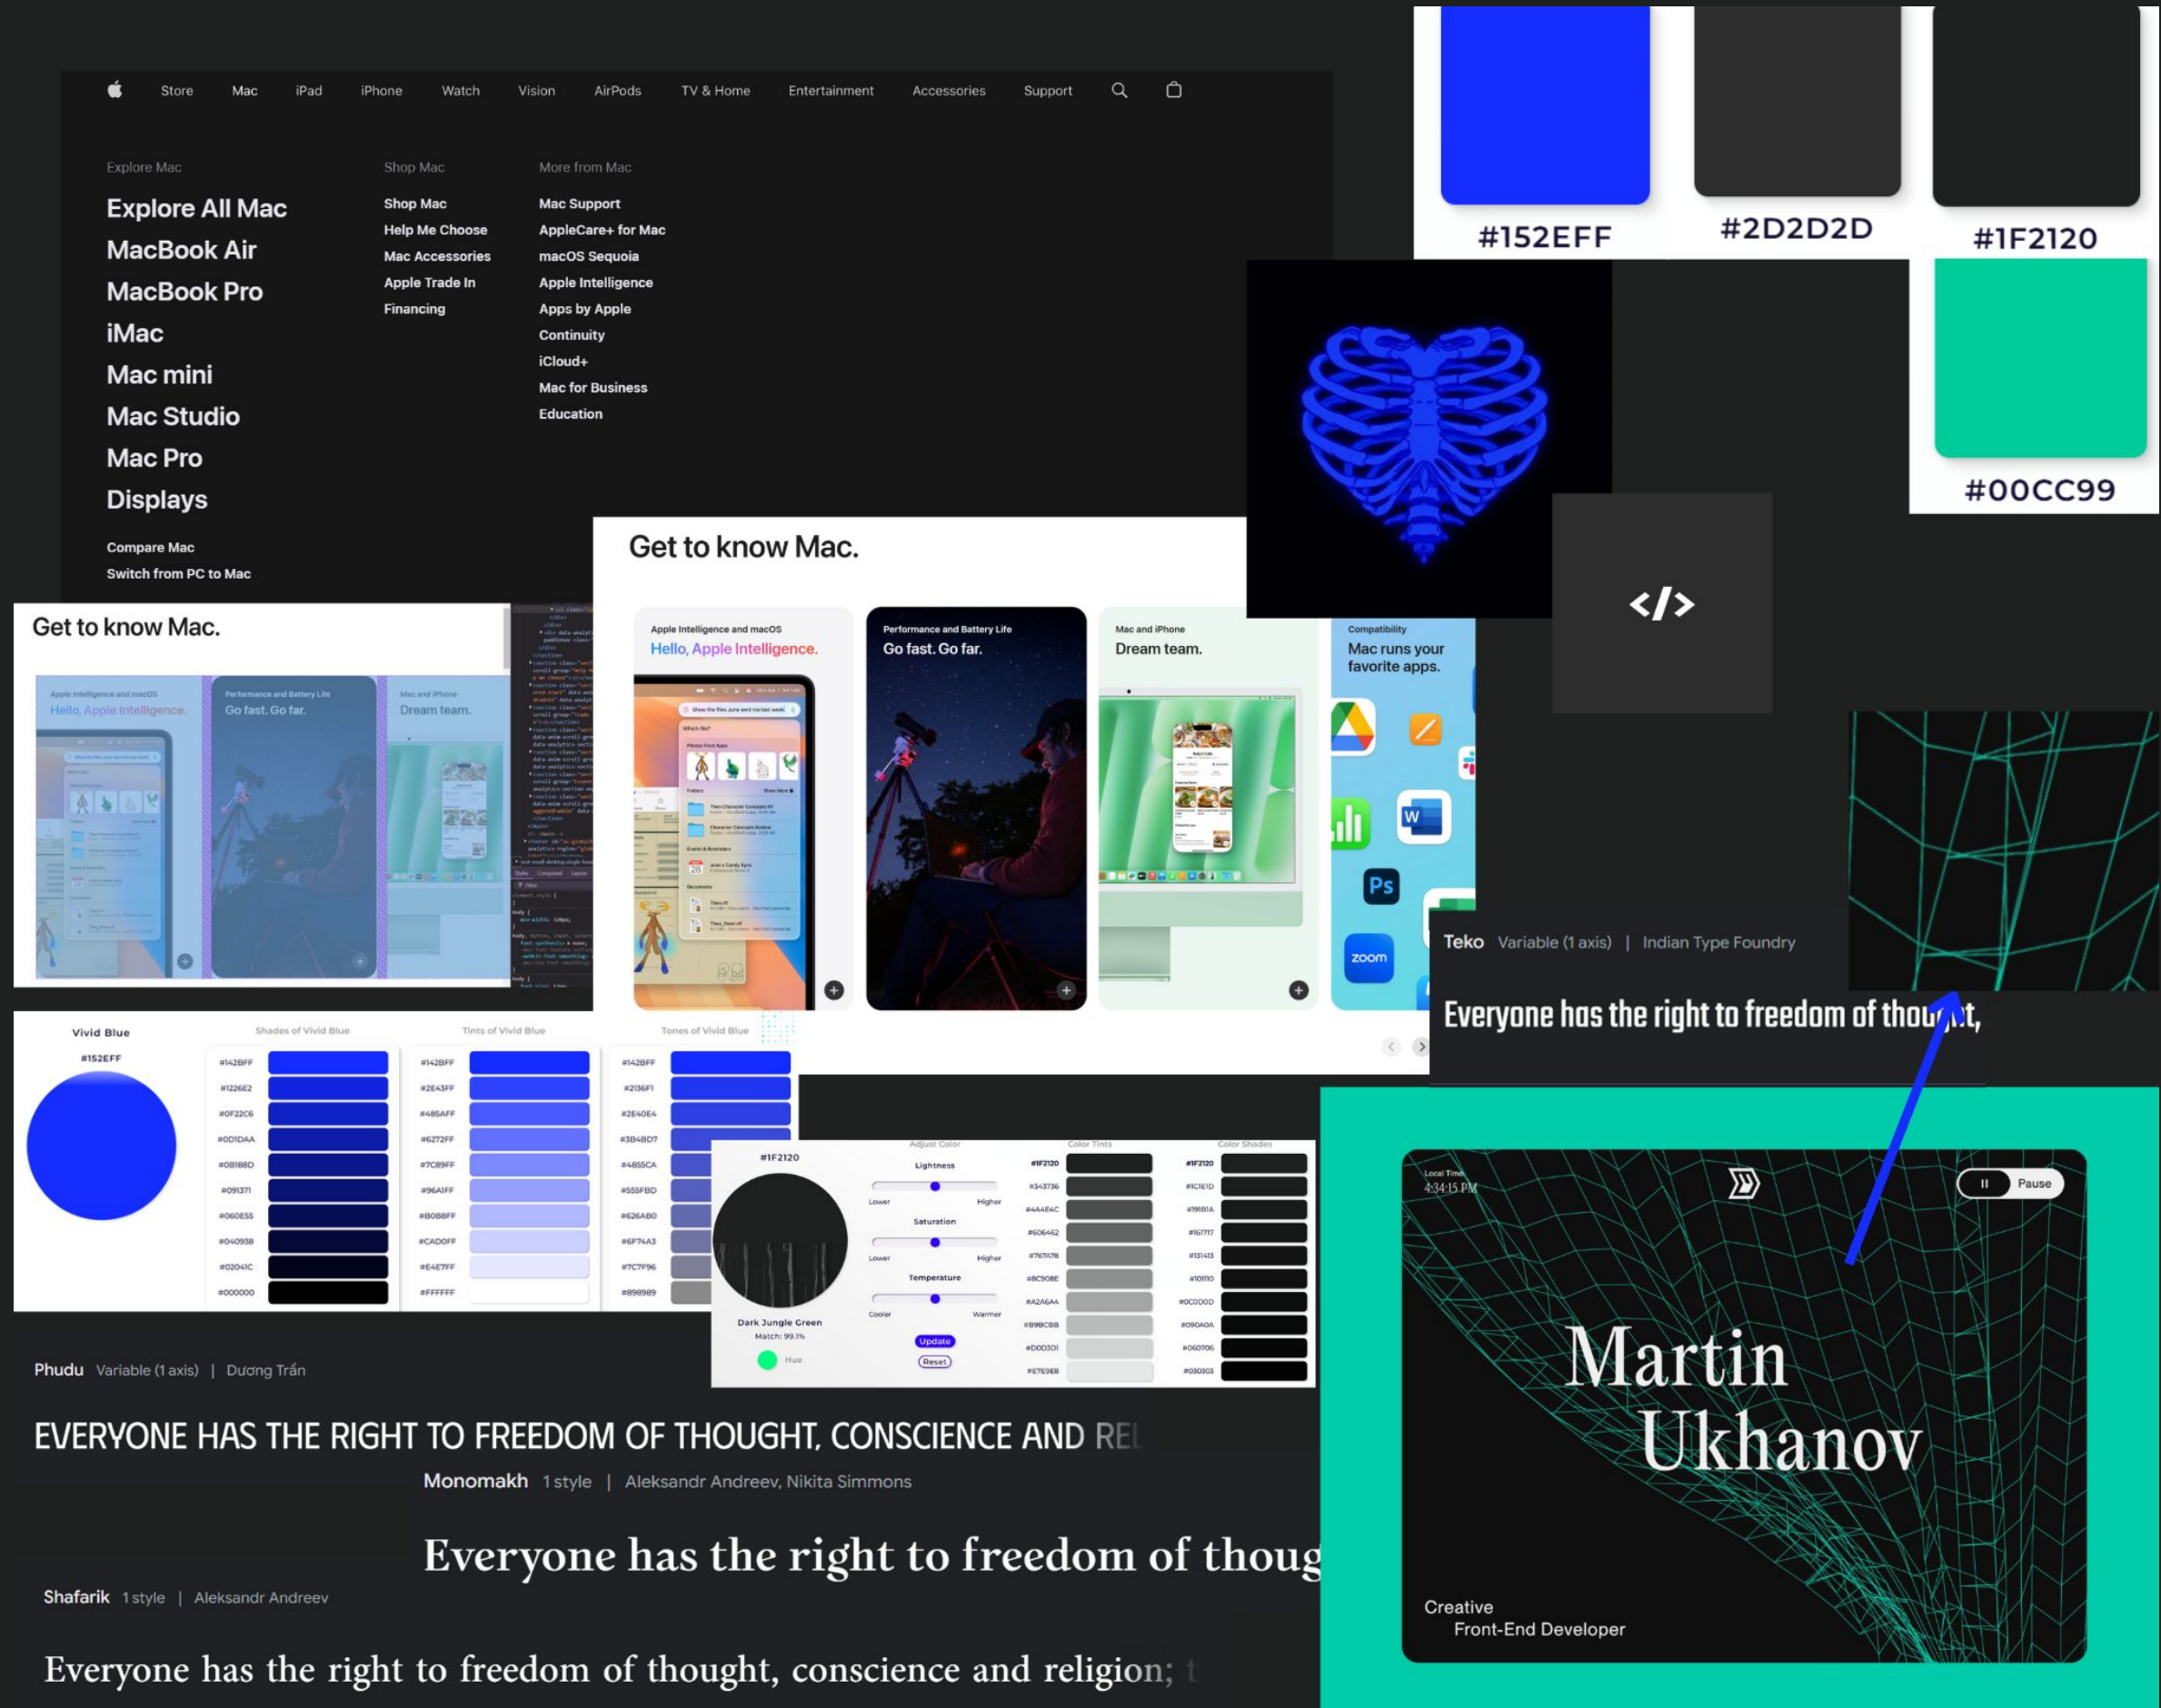

- NYU Tandon
  - Major: Computer Science
  - Minor: Game Engineering
- Interest
  - Gaming
  - Watch Movies
  - Code
- What will be on this website
  - A home page about me
  - A Resume Page
  - A GIthub link to my Github
  - A Project Page
  - A Contact Page
- Why Portfolio?
  - Display who I am
 - Help getting Internship/Jobs
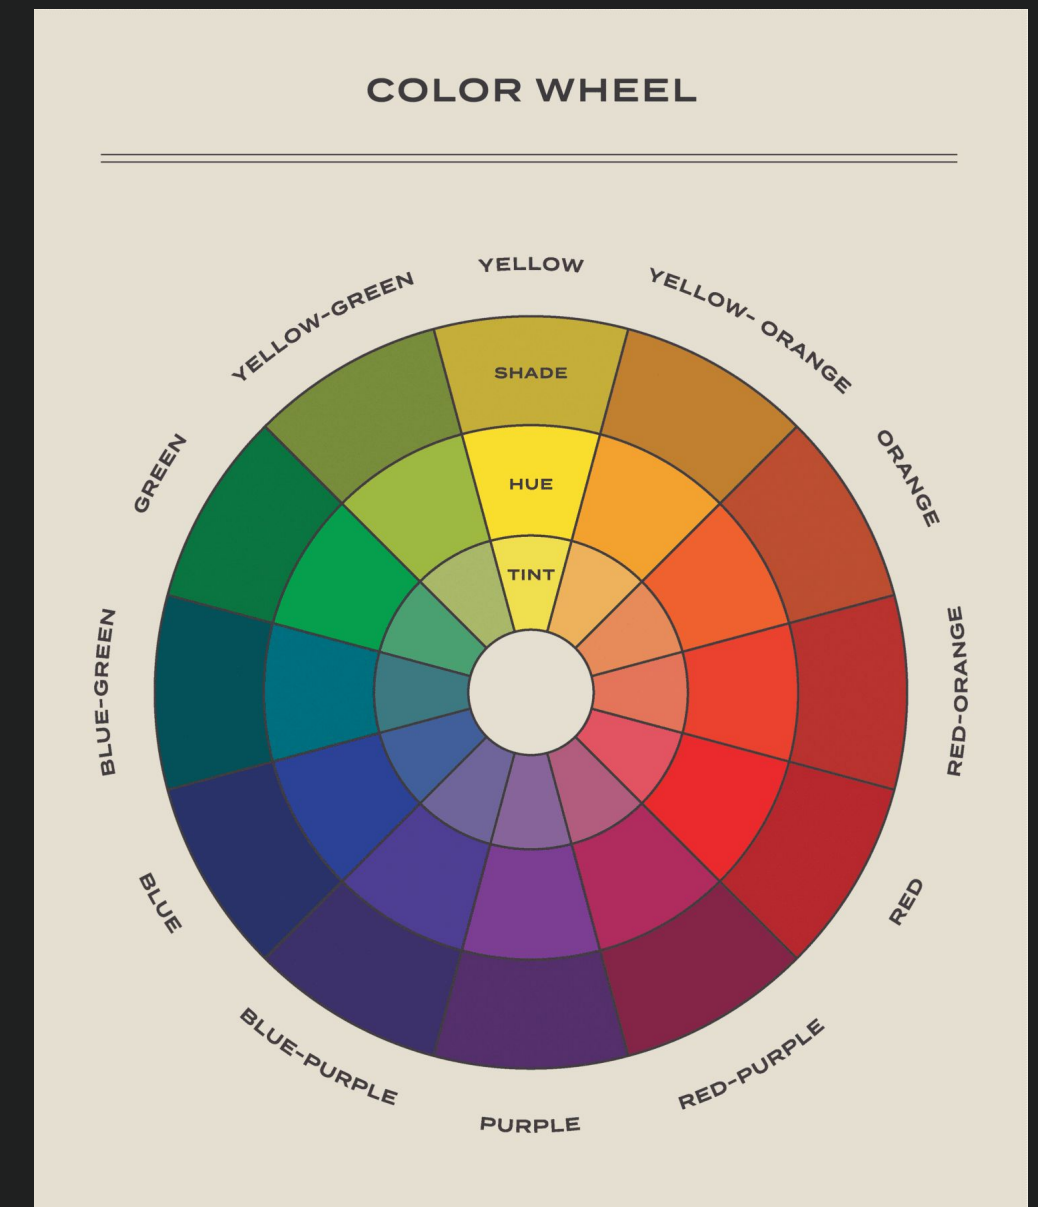

Inspiration
Mood Board

Concepts Covered
